

December 2020

Halesworth Golf Clubhouse Re-Opening Procedures:

Following the government's latest announcement with regards to our county now being in Tier 2, we will be following the below procedures for the clubhouse re-opening, in effect from Wednesday 2nd December 2020:

- In the bar and restaurant area, you must not socialise or sit with anyone that is NOT in your household or support bubble. As prior to lockdown, inside seating will be limited so please bear with us as at times tables may be full and we may not be able to seat you straightaway.
- Seating outside is permitted in groups of up to 6 people.
- Please enter the bar through the double door entrance by the lake and wait to be seated by a member of staff. We will continue to operate by table service ONLY. Please remain seated at your table throughout, do not mingle with other tables and please wait to be served at your table.
- Alcohol can only be served with a substantial meal, for example:
 - Full Breakfast (after 10:00am)
 - Main Lunchtime Meal
 - Baps/Sandwiches/Grazing Snacks all served with a Bowl of Chips/Fries - this would class as substantial
 - Sunday Lunches - in tables of up to 6 people, who are in your household or support bubble - alcohol can be served with these as well

Please note that all items on the menu can be ordered with soft drinks or hot beverages. The seating restrictions will still apply.

- Face coverings MUST be worn by all golfers, visitors and staff members throughout the clubhouse, golf shop and toilets – these can only be removed once you are seated at a table in the bar and restaurant.
- The NHS QR Code for Track & Trace will be available at the entrance doors to the building. In addition to this, we will continue to hold our own list of names for Track & Trace purposes.

Thank you for your co-operation and support throughout this time. We look forward to seeing you all soon.
